SINTERJ

The logo features the word "SINTERJ" in a bold, black, sans-serif font. A thick black arch is positioned above the letters "N" and "T", with its ends extending over the "I" and "E". The letter "J" has a distinctive shape with a curved bottom and a small, solid black semi-circle at its top right.

SINTERJ

This is a high-contrast variation of the logo. The word "SINTERJ" is rendered in white, bold, sans-serif font against a solid black rectangular background. The arch above the letters and the semi-circle on the "J" are also white, matching the text color.
